**Owners must keep their dogs under control and clean up after them.**  
**VETERINARIAN: Animal Emergency Clinic (314) 822-7600**

## **WHAT IS THE PURPOSE OF THE COURSING ABILITY TEST?**

The purpose of the AKC Coursing Ability Test is to provide all dogs and their owners an enjoyable, healthy activity in which they can participate. Dogs run singularly and are required to complete their course with enthusiasm and without interruption within a maximum amount of time. This is a pass/fail event. Based on the sport of lure coursing, Coursing Ability Tests will serve as an introduction to the sport for all eligible dog owners.

## **HOW DO I ENTER MY DOG IN THE TEST?**

To enter your dog in the Coursing Ability Test, you must complete an official AKC entry form for each dog forward it with full payment of entry fees to the Test Secretary by the established entry deadline listed in this premium. Please know that the Test Secretary MUST decline any late, incomplete, unsigned, unpaid or conditional entries. This is to say that each entry must be completed in full and the information given on the form must be that which applies to that entered hound. Moreover, the owner or agent duly authorized to make the entry MUST sign the entry form(s) and submit full payment of entry fees for the entry to be accepted.

## **WHAT MUST MY DOG DO TO PASS THE COURSING ABILITY TEST?**

The Coursing Ability Test is a pass/fail test wherein all entrants always run individually. This is to say they run once, and they run alone. Because safety is of the utmost importance, the Coursing Ability Test takes into consideration the individual dog pursuing qualification and therefore has two different course lengths to accommodate the type and size of the entrant. In either case, dogs will chase a lure made of plastic strips.

**DOGS LESS THAN 12" TALL & "FLAT FACED" DOGS:** Any entrant that is less than 12" tall at the withers and/or brachycephalic will run a clearly marked 300-yard course (or as close to 300 yards as possible) that is basically rectangular in shape with turns no more acute than 90 degrees.

**DOGS MORE THAN 12" TALL:** Any entrant that is taller than 12" at the withers and not brachycephalic shall run a clearly marked 600-yard course (or as close to 600 yards as possible) that is basically rectangular in shape with turns no more acute than 90 degrees.

In order to pass, the dog must complete the course with enthusiasm and without interruption within the maximum amount of time for the course length. The judge keeps the official time and decides the merits of the dog's performance. For a 300-yard course, a dog must complete the test in less than 90 seconds; for a 600-yard course, 120 seconds.

**Veterans may have the option of running 2/3 the course length they would normally run. Veteran dogs are defined for this test as dogs older than 7 years of age. A veteran dog's owner must declare prior to the start which distance the dog will run.**

If there is a question which course a dog should run, the judge will decide.

**Owners must keep their hounds under control and clean up after them.**  
**VETERINARIAN: Animal Emergency Clinic (314) 822-7600**

### CAN MY DOG EARN AN AKC TITLE FOR COURSING ABILITY?

Three titles will be awarded for dogs that pass the Coursing Ability Test the required number of times. These are suffix titles that will appear on a dog's pedigree with a higher level title superseding a lower level title.

**Coursing Ability (CA)** – Awarded to a dog that passes the Coursing Ability Test three times under at least two different judges.

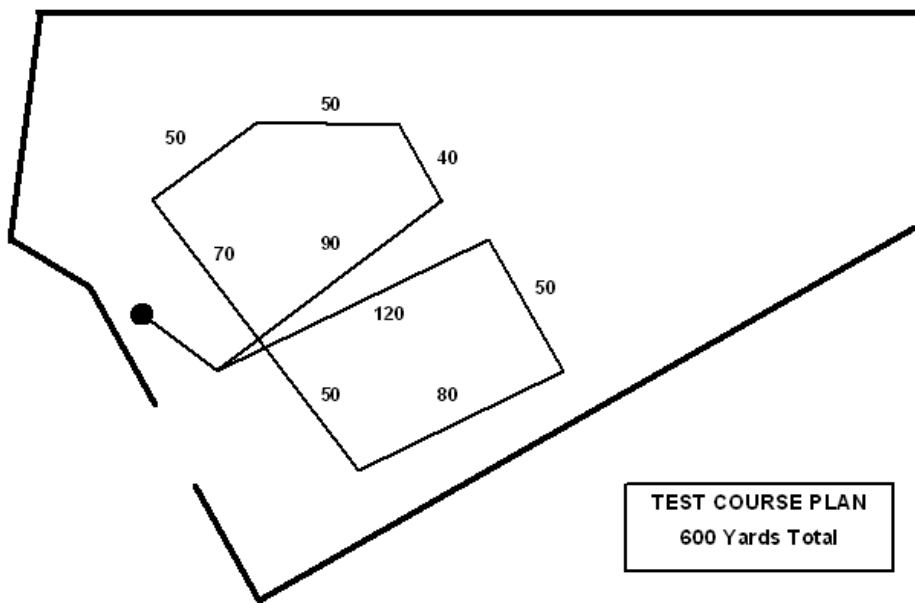

**Coursing Ability Advanced (CAA)** – Dog passes the Coursing Ability Test ten times.

**Coursing Ability Excellent (CAX)** – Dog passes the Coursing Ability Test 25 times.

**Coursing Ability Excellent 2 (CAX2)** – Dog passes the Coursing Ability Test 50 times. A higher numbered title will be awarded for every additional 25 passes.

A gas powered, continuous loop machine will be used. Battery powered continuous loop machines will be available as backup if needed. The lure will consist of white plastic strips. SCOA reserves the right to alter the course as required by weather and/or field conditions. The course will run one direction for the CAT on Saturday, June 10th 2017, and will be reversed for the CAT on Sunday June 11th 2017.

A \$10.00 fine will be assessed for any hound loose on the field not competing in the course in progress. Any person, upon reasonable complaint, will be asked to leave the grounds of the test by the Field Test Committee, and will forfeit entry fee(s), and may be disciplined by the AKC.

**Owners must keep their hounds under control and clean up after them.**
