BREEDER JUDGE: WENDY DUGGAN

My first Saluki was born in 1973, so my introduction to the Saluki world was well over 40 years ago.....time flies! At first I wasn't showing seriously, but was very active in lure coursing. We bred our first litter in 1983, and our first smooths in 1988. We have bred a total of 17 litters (4 co-bred), and from those, we have produced at least 35 conformation champions, several Grand Champions, and a handful of coursing titles (both LC and OFC). My husband Brian is also a conformation judge and noted author and has had the honor of officiating at shows in Norway, Germany, Australia, New Zealand, Finland and the United Kingdom. Our foundation came from Kenmar-Knoll, to which we have added English lines via Canada as well as the import of a bitch from Glenoak in the UK. Ch Ziba Indus was also an influential sire in our lines. We imported a smooth bitch from Norway in 2015 who we hope will add to our lines some day.

I have been licensed to judge Salukis since 2007. I am still an active exhibitor, although I primarily show at specialties and supported shows. As of this writing, I plan to apply for several more Sighthound breeds, and hopefully within a few years I will have all of them.

When I judge Salukis, balance is the most important aspect. While I prefer moderation, if the hound presents a balanced picture to my eye, the actual angulation is less important. I like pretty, but plain dogs can hunt just as well. The outline of the hound must say unequivocally "Saluki".

Movement should be light and ground covering without working too hard to get around the ring, which is inefficient. A strong rear is critical to the power of a running hound, and while I am less fussy about front movement, it still needs to be without wasted energy. Color and coat are immaterial to me, I've had most colors and both coats in my own household. I love judging and am most pleased to be invited to judge at such a special venue. Thank you for the honor.

# 2018 JUDGES

HANDLER JUDGE: JULIE SZYMANSKI

My love for sighthounds began when I was about four years old. My older sister brought home an Afghan Hound named Annie and talked my parents into keeping her, for protection, when she moved in to her own apartment. Although my sister did move, Annie stayed with me and my parents, sleeping on my bed every night, A few years later, my sister purchased her second Afghan Hound, from a local breeder who introduced her to the dog show community. Of course, I tagged along, every summer and school vacation, that I could. I began going to shows, more frequently, and learned from other owners, handlers and kennel club members, along with many professional handlers in the Mid-West as mentors of how to take care of all different breeds, properly. I also enjoyed and learned from competing in the Jr. Handling ring where I did qualify for Westminster competition, several years in a row.

In 1981, I began professional handling, on a selective basis. Through the years, I've maintained my focus of caring for the dogs entrusted to me as if they were my own precious animals. Thus "selective" implies that I keep a small number of client dogs at any one time, pouring my effort into developing each one to be the best it can be, just as it's owner would like to do. I do all the work myself, training, conditioning and grooming, therefore, owners and breeders have confidence in my work ethic, the care and presentation that I give their dogs . People also know that their dog will be taken care of, in the same responsible, loving way that they do it. My son was born in 1989 and subsequently, I was only able to attend a few shows a year. I was back to showing and handling in 1997. Since then, I have finished many breeds Championship titles, won Select at nationals, have campaigned several sight hounds to the top five status, all with limited showing. I have put BIS, SBIS, many Group wins and major wins on Poms, Pointers, English Cockers, Afghan Hounds, Saluki's, Scottish Deerhounds, Bassets, Bull Mastiff's (to name a few).

Thank you for the great honor of being a part of the Saluki Club of America Breed Top Twenty 2018 judging panel. I look forward to enjoying every moment with your beautiful hounds.

# 2018 JUDGES

**HOUND JUDGE: A. TODD MILLER MD, MPH**

Purebred dogs has become a lifestyle and a passion for me. 21 years ago, I purchased my first companion dog, a whippet named Mitchell. He later became known as Sel Ch. Summit Court and Spark SC, FCh. Mitchell and I quickly realized that we were meant to do more than hang out at home or enjoy the afternoons at the local dog park. Rather, we jumped head over heels into the sport competing in conformation, lure coursing and obedience. The following year I brought home a beautiful puppy. Unbeknownst to me, he would become the patriarch of our dynasty breeding program known as the Whippets of Jomyr!

Dino was an instant star, winning seven Specialty Best in Puppy Sweepstakes undefeated and his accomplishments are best seen in his name, MBIF N Sel Am DC/Can Ch. Summit Autumn Gabardine Martin, LCM, CD, CAV, ROM! His spirit lives on through 6 generations of top winning whippets. My small hobby breeding

program has garnered over 40 champions including BIS, MSBIS, MBIF, Multiple National Award of Merits, a Top Twenty Winning dog and the winners of the National Stud Dog, Brood Bitch and Extended Brood Bitch classes. This journey also led me to serve in leadership roles with the American Whippet Club to include Triathlon Chair, The Daily Whippet creator and editor, National Rainbow Bridge table creator and currently serving as the AWC Top Twenty Chairman. My love for the sport would then take me to officiating as a current all-breed ASFA and AKC lure coursing judge and an AKC conformation judge, currently approved for 26 breeds!

One of my favorite breeds outside of whippets has always been the beautiful elegant athletic Saluki! I admired them from afar and vowed to someday own one. Fortuitously, in 2013, I was able to trade a whippet puppy for a Saluki puppy. This beautiful tri-colored vivacious cute little girl bloomed into my gorgeous Derby. Her accomplishments speak for themselves. MBIF DC GCh Wynsyr Karista's Trifecta at Jomyr, SC. Derby competed in the SCOA Top Twenty 2016 Competition Owner-Handled. It is such a humbling honor to be invited to officiate over this years' Saluki Top Twenty competition as the Hound judge! I am certain they will all fill my eye with their overwhelming beauty and sweet temperaments, proving they are ALL WINNERS in my eye during this showcase of the best of the best!

**MOST MEMORABLE WIN:**

After 20 years of showing Salukis we made it to our first National and kindly thank all the exhibitors who guided us through our first magnificent Saluki National experience. Special thanks to Mrs. Kathy Webb for awarding our Patience, 2017 Saluki National Best of Breed.

**ABOUT PATIENCE:**

Patience was born a full day after her siblings. She was stuck behind another puppy and needed extra assistance from our veterinarian to make her entrance into this world. When she was born, we all had tears in our eyes, including our veterinarian who said, "My, haven't you been Patient?!" Karin responded, "Well, I guess that has to be her name." Patience stole my son Camerin's heart, and became his first, very own Saluki.

Patience delights us with her quirky personality and has always been our little monkey, climbing out of the puppy ex-pen when she was very young, just to taunt her siblings. She continues to be the 'special' one who 'knows things'. She laid by her grandmother Isis's side when Isis was ill, comforting her and knowing that she needed to absorb as much of Isis's wisdom before Isis left us.

Patience finished her championship as a puppy and has done well in her limited show career. She has drawn the attention and admiration of many breeder judges who have awarded her because they appreciate her soundness and moderation, grace and symmetry, beautiful movement, striking feminine silhouette and lovely muscling.

Last year in 2017, we didn't think we could to go to the Saluki National as Patience's human dad Camerin Kelly, got married one week prior to the National. Patience had a very important role walking her human dad down the aisle.

After 20 years of showing Salukis we made it to our first National and kindly thank all the exhibitors who guided us through our first magnificent Saluki National experience. Special thanks to Mrs. Kathy Webb for awarding our Patience, 2017 Saluki National Best of Breed.

**MOST MEMORABLE WIN:**

It would be the first weekend “Stewart” was shown as a puppy, and he was Best of Breed over top winning Specials competition. He went on to place third in the Hound group that day also.

**ABOUT STEWART:**

“Stewart” is an extremely intelligent Saluki, along with being very sensitive and intuitive on many different levels. He recently became a registered Therapy Dog, and has started working at a hospice. He won his first Best In Show, the first weekend out as a special, at 14 months old, and was a multiple Best In Show winner by 18 months old. He is my constant companion, and he filled a tremendous void in my life after we lost “Tyler Joe”. His accomplishments in the ring are very rewarding, and Gene and I are always extremely proud of his achievements. “Stewart” is always breeder, owner handled.

We thank the SCOA and the hard-working members for providing this special competition and wish everyone the best of luck and continued success.

**ABOUT FEATHER:**

Everyone knows a story such as this: One day I went to SEE a litter bred by one of my dogs...and...came home with a puppy. Each time I entered the puppy room one little face appeared and stared. Because she had a white mark in the shape of a feather on her head Feather she was. She became an English Champion quickly and excelled on the lure not surprising considering her heritage. After arriving in Texas and taking dogs for long walks we would let one dog go at a time because of the wildlife and that day was Feather's turn. We heard a huge bellow, water splashing and there she was on the back of a rather large Axis deer riding him across a small lake. Trying to bite through the thick fur, she rode him to the other side as I was shedding ruck sack, camera, shoes and dived in. I'm sure I read the deer's eyes correctly with a look that said, "Here comes another one!" Avoiding thrashing hooves, I hooked a finger under Feather's collar, who was on his head by this time, and her eyes said "I'm doing what I was born to do. Good things come in small packages and Feather, despite her name, remains fierce, determined and beloved.

The only girl in her litter, Lulu has held her own with her two top twenty brothers and earned her "Let Loose The Kraken" nickname from the moment she graced our lives. Her beauty and tremendous Salukiness have won her friends throughout the world and she boasts a social life that would be the envy of many a Hollywood starlet

LuLu's greatest honors have been received from breed authorities; she finished in four consecutive specialties, including the National, under such experts as Jackie Harrington, Patricia Brenner, JoAnne Buehler, and Ute Lennartz. She is also a multiple All Breed and Hound Show AKC group winner and has been awarded Best In Specialties at the Saluki Club of America Eastern Specialty (Nina Neswadba), Central Florida Saluki Hound Specialty (Karen DeVon), Central Florida Saluki Hound Specialty (Scott Pheil) Garden State Saluki Club (Lex Robertson), and was Reserve Top Twenty at the 2016 Saluki National.

She's been guided in her career by the able handling of Sighthound expert Anna Stromberg and is exhibited today by the ever-talented Jamey Lambert.

But greatest of all is the joy and charm she adds to our lives; she is a sunbeam who brings the best out in all of

us.

**MOST MEMORABLE WIN:**

In 2017 I cannot single out one win, but his most important accomplishment was finishing the year as the number one Saluki in the country breed system. I am incredibly proud of this dog who represents seven generations of my breeding. I am proud that a dog who exemplifies the powerful, well-muscled hunting hound described in our standard can succeed at the highest level in the show ring. Outlaw is proof that a correct Saluki can also be very beautiful and glamorous! He is an incredible showman who really does think that the ring is the happiest place on earth! I cannot thank his handlers, Luke and Tammy Seidlitz for their wonderful care and presentation. And my most heartfelt gratitude to the Saluki community who have been so supportive of Outlaw's show campaign.

**ABOUT OUTLAW:**

Outlaw is amazing! He is a kind, generous and devoted soul, living with him brings the most joy to my life, more than all the wins in the ring.

He loves the show ring, loves people, loves his brother, loves to be groomed, loves to travel and especially loves to lounge on motel beds eating Culver's butter burgers. I am very sure that he knows how wonderful and beautiful he is and simply expects that he will always live the perfect life of a pampered prince. I will do everything in my power to fulfill his wishes.

Best of Breed last fall at the Saluki Club of Greater San Francisco supported entry at Del Valle under Magnus Hagstedt and then an incredible group first under Randy Garden. The depth of quality in both the breed and group was outstanding, we were so honored to have won. Willie was handled that day by his fellow redhead, Stuart McGraw!

**ABOUT WILLIE:**

Willie is my husband's dog and that fact comes before anything else. They prefer to sit on the patio together and go for walks more than anything else. They just adore each other! Willie doesn't much care for the show ring and is shown very occasionally. Even so he is much admired by the Saluki fancy and has been very successful on his rare weekends in the ring.

**ABOUT AKAMAI:**

Akamai, the English translation from Hawaiian meaning Smart and Intelligent. Akamai is from our third generation of hound group winners and one of nine champions from a litter named after a technology. The internet company is Akamai and its mantra is Faster Forward. (I had hoped for a puppy that would chase the plastic).

In 2017, Akamai ranked in three AKC top 20 listings: breed, saluki all breed and lure coursing. He followed up his wins by being the first Karob Saluki to be awarded the Lure Coursing Excellent title. His memorable wins last year were National Specialty Select Dog and SCOA AKC Specialty Lure Coursing Best of Breed.

We are humbled with his accomplishments and so honored to be among tonight's contenders. Akamai rewards us with his laid-back demeanor and acceptance of new challenges. For us he is the epitome of the Saluki and we are proud of what he's contributed to the Legacy.

It would be impossible to summarize all that is Karma in a few short lines. Desiree's confirmation achievements, in very limited showing, have been rewarding and fun. All her Majors were received from Sighthound Breeder-Specialists. In 2017 she won the CASA Specialty under esteemed Sighthound specialist, Dr. Jerry Klein. Desiree then took a year off to have her Memories litter and will now make limited appearances at Specialties on the west coast.

**ABOUT DESIREE:**

Desiree is most appreciated, not for her achievements in the show ring, but for being one of five beautiful girls of my wonderful Tattu x D'lyla's Living Life litter of nine. She is remarkably stable, charming and very coquettish. A beloved companion, who believes her job is guardian of our property and protecting us from the coyote population. As the mother of The Memories, her two beautiful girls born in 2017, Za'Za and River have a pedigree with many wonderful salukis I've admired over the years.

Desiree reminds me every day that Life is a Song Worth Living. Her Top 20 ribbon will hang next to her Sire's, SBIS GCHB Z'Bee's The Time of Your Life at Mazada SC, Top 20 ribbon.

**ABOUT PERI:**

Peri was named correctly – Perfect Storm – that she is! She was also born under the sign of Gemini! We're sure you get the picture. Always beautiful, Peri is sweet one minute then silly the next. We don't always know which Peri will show up. Once earning her Championship, Peri has taken her show career seriously. Her achievements have exceeded our expectations. **ABOUT ZIYADAH:**

Ziyadah has been so much fun to show. She is full of attitude and has been called a little “spit fire” by one judge who fell under her spell. She can also be very Saluki and thumb her nose at me. Either way, she keeps me on my toes as to what mood I have at the end of the lead. I was surprised to qualify as a Top 20 in 2016 as we entered two weekend of specialties in order to successfully attain Ziyadah's U.S. Grand Championship. In 2017 we entered the 4 Summer Splash Specialties in Massachusetts because they are such great events with loads of camaraderie. We were honoured that Ziyadah was selected Best in Specialty at two and Select, to her sister Zinnia, at the third. Showing at the new site of Westminster was on my “bucket list”. As a test run at a benched show, we entered the Purina National Dog Show in Philadelphia. Ziyadah not only won BOB but went on to be awarded second in group. The amusing part was that the television feed was picked up by Entertainment Tonight Canada and the clip of Ziyadah was televised a second time. She is a Canadian entertainment star!

We are so thrilled to have Ziyadah qualify for the Top 20 again. As we are at home with a litter, we wish everyone a wonderful time.

We are so incredibly proud of ALL of Snapple's wins!!! He loves to show, he adores his handlers, and he loves meeting new people everywhere he goes. He is such a crowd pleaser, and a showman that he makes each and every show fun and "memorable"!! His Reserve Best in Top 20 & People's Choice wins at last year's Top 20 event were especially fun!!! He has also won Best of Breed at Westminster KC three times, and Best of Breed at the AKC National Championship twice.

**ABOUT SNAPPLE:**

We love Snapple so very much. He has the most amazing temperament, and makes friends easily everywhere he travels!! At home he adores his multiple families...and at the show, he always gives 100%. He loves to "perform", whether it is in conformation or obedience or coursing, they are all equally as fun to him. As long as he is spending the day with his "people", he is happy! We are so proud of him and all he has accomplished in the 5 years he has been shown. During his time in the ring with Tina, Erin, and Nina, Snapple has been awarded 30 Best in Shows (tying the all-time record for BIS wins by a Dog Saluki), 31 Reserve Best in Shows, & 171 Hound Group I's. Despite all of his unbelievable accomplishments so far, Snapple is still in his prime, and has a long future ahead of him doing Obedience, and many other performance venues with Tina & Mark! This is his 5th consecutive year of being invited to the Saluki Club of America Top 20, and we are honored. Good luck tonight to ALL of the exhibitors...treasure every moment of this special event!

**MOST MEMORABLE WIN:**

This past year, Yogi's most memorable win, was BOB and Group 4 at the Western Hound. He was just "on" that day and he was a joy to show.

**ABOUT YOGI:**

As the oldest veteran in the Top Twenty we feel fortunate to have Yogi here to celebrate his 6th year in the Top Twenty! We feel honored to be among this beautiful group of hounds and we are particularly proud to be sharing the spotlight with Yogi's daughter Cephei. Yogi has had an exciting career and it was icing on the cake to finish his Gold this year and qualify for the Top Twenty again as a veteran. We are grateful to our saluki family that have provided Yogi's offspring with wonderful homes and fabulous careers. We will continue to enjoy their successes in the ring as well as in the whelping box.

Yogi loves our new desert home and although it pains me to see the cactuses and mesquite trees sporting his glorious tail feathers, I look forward to many years to come with our "golden" boy running free in the desert!

Above all else Yogi is an integral part of our family he has provided us with more love and joy, (and yes entertainment) than words can convey. Congratulations to all the other beautiful hounds in the Top Twenty this year, we are grateful to be among you.

Two Companion Dog legs with High Scoring Hound and High Scoring Lure Coursing Dog were earned at the Truckee Meadows Dog Training Club Obedience Trials. He also earned all four levels of Trick Dog, through Performer! His accomplishments to date have earned Kenobi recognition by Saluki Club of America with the Versatile Saluki Advanced award.
